Re: Annual Report and Statement of Organization

We do not believe that we need to file an annual report as we had no activity last year. This correspondence will also serve as our Annual report as we did last year.

TaxBusters was dormant in 2006, 2007 and 2008. We cannot predict future activity due to the tax cycles of local governmental entities. If we get involved in any issue we will, of course, file the necessary reports.

Sincerely,

Elizabeth R. Dent
Treasurer
